

Friends & Family at Spring House

Accessing information about your relative

care
control

- ◆ Do you own an IPAD or Tablet Device?
- ◆ If you do, you may be able to access information about your friend or relative who lives at Spring House - from anywhere in the world!
- ◆ Talk to a Senior Carer about getting access to our Friends and Family Service.
- ◆ Through this service you can view the Care Plans and daily notes from your IPAD no matter where you are.
- ◆ You can also help complete life histories or review the latest care review.

Please come and speak to us if you would like to find out more about this service.
